Subject: RE: Extension of Public Notice Comment Period for Merrimack Station (NH0001465)

Hi Shelley,

This isn't entirely the correct information. We will need to send another email out with corrections.

Subject: Extension of Public Notice Comment Period for Merrimack Station (NH0001465)

NOTE : Please do not respond to this email. Comments should be sent directly to the permit writer.

EXTENSION OF PUBLIC COMMENT PERIOD

The additional comment period for Merrimack Station (NH0001465) begins on August 18th and will end on October 22, 2014. The extension notice for the Merrimack Station will appear on EPA's website by the close-of-business on May 23, 2014. The notice will also be published in the Concord Monitor on May 23, 2014.

Please see the attached.
